

# 18 U

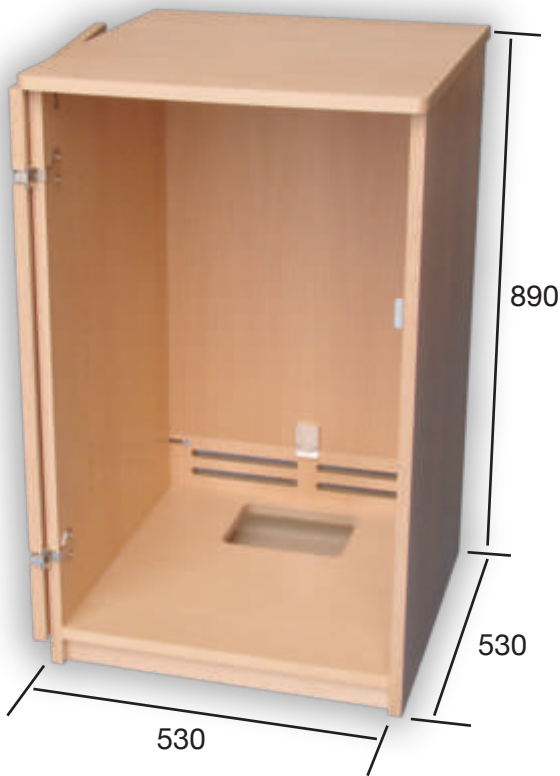

A high quality, real wood veneered 18mm MDF lockable rack cupboard.

Can be supplied with 19" rack strips (extra) or adjustable internal shelves (extra). Castors, two lockable, available (extra).

Cupboard door opens 270 degrees for maximum access, as shown in image below.

Shown in Beech.

Stocked in Maple, Beech and Oak. Other wood veneers to order (3-6 weeks)

A lockable, removable back panel, with ventilation, is provided for easy access to equipment and cables within the unit.

Cable management in the base supplies as standard.

# 18 UG

As 18 U with smoked lockable glass doors. Shown in Beech
