

## e-ssential 24 port PCB Patch Panel, Top Connection, Black

Nexans ref.: N424.513

Netcomp ref: NE524TPP

- Complies to the latest Category 5e standard
- Integrated plate for tie wrap strain relief
- LSA+ termination

### Description

#### Application

The Nexans e-ssential 1HU twisted pair patch panel is based on 19" frame dimensions. Easy cable management by cable tie wrap support. The use of patch guides (sold separately) allows an orderly arrangement of patchcords. Fitted with blank labels under clear covers.

#### Performance

The Nexans e-ssential Range of Cat 5e cabling products are compliant with ISO/IEC 11801 : 2002

#### Installation

The patch panel is equipped with an integrated plate for easy top termination. Termination access is optimal when Nexans 19" outrigger (N500.120) is used.

- Supplied with fixings and tie wraps
- LSA+ termination
- Supplied with number printed paper labels
- Equipped with integrated tie wrap strain relief.
- Punchdown from the top for easy connection at the front of cabinets.
- Colour code T568B.
- Can be used with all types of cables : UTP

**e**ssential

#### Standards

**International** ISO/IEC 11801

### Characteristics

#### Construction characteristics

Connector type RJ45 and LSA+ IDC

#### Dimensional characteristics

Heightunit 1 U

Depth 111 mm

#### Usage characteristics

Category Cat. 5e

Range essential

Component function Patch panel

Number of ports 24
